Sir,

I have the honor to submit the accompanying plan and estimate for constructing a Sayer Katté in the Alur Kasba Municipality of the Hassan Taluk, the Cost of which, Viz Rs. 325, can be met from the sum of Rs. 400 provided for original and repair works in the current year's Budget of that Municipality.

A Sayer Katte is absolutely necessary in a place like Alur where no such building is available and a large weekly market is held, and as the Municipal funds admit of the charge I solicit the early sanction of the Dewan to the Estimate, so that arrangements may be made to carry out the work through the

Public Works Department before the Close of the Current Official year.

The Provision under the head Original works having been raised to Rs 325 on this account and that of repairs reduced to Rs 75, I request the favour of Corresponding Correction being made in the Budget submitted to your Office.
